Description of "LEARN-TO-SWIM" Levels and Objectives

American Red Cross Swimming Lessons are offered by age and ability level. The Learn To Swim program provides instruction to help swimmers of all ages and abilities develop their swimming and water safety skills. They are designed to give students a positive learning experience. Each Swimming Lesson session consists of 8 45-minute classes, including safety program, rules, and ability assessment day. The Pool Program Manager reserves the right to transfer students to the proper class level. WEATHER always plays a factor in outdoor lessons! Our goal is to make every effort to conduct lessons at the pool. Please call the Keyes Pool or call the Recreation Office when in doubt. The Friday of each week will be used for make-up lessons for bad weather cancellations only.
